

INFANT JESUS OF PRAGUE SCHOOL

Teaches the **Mind**...Touches the **Spirit**

September 3, 2020

Dear IJP families,

We have some fantastic news regarding free breakfast and lunch for Infant Jesus of Prague students!

On Monday, the USDA announced they were continuing their Free Meals for Kids Program through December 31, 2020. This means that all students, regardless of income, will receive a free breakfast, lunch and dinner each day that school is in session.

We are grateful to Country House who will continue to provide meals to our students. After meeting with a Country House representative today, we have decided to begin the program Tuesday, September 8th. There are a couple of minor changes based on USDA requirements. The students will no longer be receiving a dessert with their lunch, and the only drink option will be chocolate or white milk.

In-Person learners will receive their lunch in the cafeteria as normal, and their breakfast and dinner will be delivered to their homerooms at the end of each day to bring home.

Remote learners will be able to pick up their breakfast, lunch and dinner for the entire week on Mondays (Tuesday next week because of the holiday) from 1:30-2:30 in the regular drop off area of the parking lot.

We are thrilled to be able to offer this to all of our students and are looking for full participation from our families.

Any questions can be directed to Colleen from Country House at hotlunch@ijpschool.org.
